**Please Note:**

National Contract Laboratory program costs may be significantly understated. These costs do not include any lab costs that may have been billed to EPA prior to FY 1986, if such costs were incurred, and no estimate of the CLP Sample Management Cost (ranges from 6.1 % to 17.0 % of Analytical costs) is provided. A complete accounting of Contract Laboratory Costs normally is provided by VIAR within the documentation process.

This summary does not include Department of Justice cost. Those costs will be documented separately by the Department of Justice.
